

JCD PRIVACY NOTICE

JTB Communication Design, Inc.(hereinafter “JCD”) which has its registered offices at 3-23-1 Shiba, Minato-ku, Tokyo, Japan offers services for exhibitions and other related services. This Privacy Notice is issued to you, the Data Subject, to inform you of our collection, access, useage and processing of your personal data in the way described below.

1. Categories of personal data

We hereby inform you that we collect, use and process the following categories of your personal data:

- Name
- Address
- Company name
- Company address
- Division and position in company
- Company Phone Number
- Company Facsimile Number
- Email Address
- Business Category
- Job Category

2. Legal basis and purpose:

As per Article 6(1)(f) General Data Protection Regulation (GDPR), we hereby inform you that we use your personal data for the purpose of providing you the following services:

Collected personal information will be used to carry out procedures related to your exhibition at, and participation in, the exhibition, conference, and/or seminar. It will also be used for related purposes, for example to provide information about other events with which the organizer is involved, industry information, and other information.

In addition, your personal data may be converted into statistical or aggregated data which cannot be used to identify you and then used to produce statistical research and reports. This aggregated data may be shared and used in the ways described above.

JCD processes your personal data in its interest as well as in your interest, so JCD provides and you receive the related services that you have requested and other related services specified in the above.

3. Retention periods

We keep your personal data as long as there is a statutory or legal requirement to do so or in order to provide the aforementioned services to you. For accounting or auditing purposes we may retain your personal data for a period of time after our direct business dealings have ended.

4. Data storage and transfer

If you permit the information on your attendee badge to be scanned at exhibitors' booths at the exhibition venue, your registered information will be provided to the owners of those booths. Collected personal information may also be provided to sponsors and corporate partners so that they can provide information about future events and other opportunities. Additionally, if you participate in presentations or seminars, your registered information may be provided to instructors and staff involved with those programs. If the exhibition is being held at the same time as another exhibition and attendees are permitted to register to participate in multiple exhibitions at the same time, your registered information may be provided to the organizers of those other exhibitions.

Furthermore, we may share your personal data with JTB group companies as well as with other companies which may be located within or outside the EEA and provide business process services related to the provision of the services indicated above and other service providers (including service providers for JTB). Where a company is located outside the EEA, we will arrange adequate safeguards such as Binding Corporate Rules or Standard Contract Clause arrangement or transfer your personal data based on appropriate legal basis.

5. Prior consent

Where we require access to your Personal Data that GDPR considers Sensitive, we will seek separate explicit consent from you prior to obtaining that data.

6. Your rights

As a customer you have a number of rights, among them: the right to request access to your personal data, to have it corrected or deleted, and the right to object to our processing of your personal data. For further information on these rights please refer to our Privacy Policy:
